## INTRODUCTION

Analytic Solutions Group LLC (the "Company") established the Analytic Solutions Group LLC 401(k) P/S Plan (the "Plan") effective 1/1/2016. This Summary Plan Description describes the Plan as restated effective 5/2/2016.

This revised Summary Plan Description supersedes all previous Summary Plan Descriptions. Although the purpose of this document is to summarize the more significant provisions of the Plan, the Plan document will prevail in the event of any inconsistency. In addition, the terms of the Plan cannot be modified by written or oral statements made to you by the Plan Administrator or other personnel.

## ELIGIBILITY FOR PARTICIPATION

### Eligible Employee

You are an "Eligible Employee" if you are employed by Analytic Solutions Group LLC or any affiliate who has adopted the Plan. For Safe Harbor Contributions, the term "Eligible Employee" for the exclusion of classes of employees shall have the same meaning as Elective Deferrals. However, you are not an "Eligible Employee" if you are a member of any of the following classes of employees:

For purposes of Elective Deferral Contributions, Matching Contributions and Profit Sharing Contributions, any employee who is included in a unit of employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.

For purposes of Elective Deferral Contributions, Matching Contributions, Safe Harbor Contributions and Profit Sharing Contributions, any employee who is a non-resident alien who received no earned income which constitutes income from services performed within the United States.

### Elective Deferral Contributions, Matching Contributions, Safe Harbor Contributions and Profit Sharing Contributions

You will become eligible to make Elective Deferral Contributions and receive Matching Contributions, Safe Harbor Contributions and Profit Sharing Contributions on the date you first perform an Hour of Service as an Eligible Employee.

### Special Participation Rule

If you were employed as an Eligible Employee with the Company on 3/9/2016, effective 3/9/2016, you will be immediately eligible to participate in the Plan.

All eligibility service with the Company is taken into account.

If you make or receive eligible contributions you will be a "Participant" in the Plan.

## CONTRIBUTIONS TO THE PLAN

### Account

"Account" means all of the contributions, of whatever type, made to the Plan for a Participant, including the earnings and losses on those contributions.

### Elective Deferral Contributions

You may elect to reduce your Compensation (defined below) and make a contribution to the Plan on a pre-tax basis. These pre-tax contributions are known as Elective Deferral Contributions. You may elect to defer up to 100% of your Compensation on a pre-tax basis. Federal law also limits the amount you may elect to defer under this Plan and any other retirement plan permitting Elective Deferral Contributions during any calendar year (\$18,000 in 2016). However, if you are age 50 or over, you may defer an additional amount, called a "Catch-up Contribution", of up to \$6,000 (in 2016). The Internal Revenue Code may further restrict Elective Deferral Contribution elections by "highly compensated" Participants.

You may elect to start, increase or reduce your elections to contribute to the Plan effective as of the dates established pursuant to Plan Administrator procedures. You may totally suspend your elections at any time.

The Plan Administrator may establish rules regarding the manner in which your elections are made. The rules may also require that certain advance notice be given of any election. Your election regarding Elective Deferral Contributions is only effective for Compensation you will receive in the future. The Plan Administrator may also reduce or totally suspend your election if the Plan Administrator determines that your election may cause the Plan to fail to satisfy any of the requirements of the Internal Revenue Code.

### Roth Contributions

The Plan allows Elective Deferral Contributions to be made as Roth Contributions. Roth Contributions are Elective Deferral Contributions that are made in the same manner as your pre-tax Elective Deferral Contributions except that Roth Contributions are made to the Plan on an after-tax basis. If certain requirements are met, a "qualified distribution" from your Roth Contribution Account in the Plan will not be taxed.

You must designate how much you would like to contribute on a pre-tax basis (normal Elective Deferral Contribution) and how much you would like to contribute as an after-tax Roth Contribution. You are not required to make any Roth Contributions. You may continue to designate all of your Elective Deferral Contribution elections as normal pre-tax contributions.

The sum of your Roth Contributions and regular Elective Deferral Contributions may not exceed the annual limit on regular Elective Deferral Contributions mentioned above.

As was mentioned above, a "qualified distribution" of your Roth Contributions (and earnings) is not taxable. A "qualified distribution" must be made more than five years after the first Roth Contribution is made and must meet at least one of the following requirements:

- (i) the distribution must be made after you attain age 59-1/2;
- (ii) the distribution must be made to your beneficiary after your death; or
- (iii) the distribution must be made on account of your disability.

Please note that Roth Contributions are not suitable for everyone. Please consult with your tax advisor before making any Roth Contributions to the Plan.

#### Amount of Matching Contributions

The Company may, in its sole discretion, make a Matching Contribution on your behalf if you make a "Matched Employee Contribution" during the Plan Year. A "Matched Employee Contribution" is any Elective Deferral Contribution or Catch-up Contribution that you may make.

If you make a "Matched Employee Contribution" the Company may contribute to your Matching Contribution Account in an amount and allocation formula as determined by the Company in its sole discretion.

The Internal Revenue Code may also further restrict Matching Contributions for highly compensated employees.

### Profit Sharing Contributions

The Company may, in its sole discretion, make a Profit Sharing Contribution to the Plan on your behalf. You will be eligible to receive an allocation if you have completed at least 1,000 hours of service during the Plan Year and are employed by the Company on the last day of the Plan Year.

Please note that if you are an Eligible Employee and terminate employment with the Company due to death, disability or attainment of Normal Retirement Age you will be eligible to receive a Profit Sharing Contribution regardless of whether you meet any service requirement and/or last day requirement described in this Section.

Profit Sharing Contributions will be allocated to the Profit Sharing Contribution Accounts of each Participant eligible to share in such allocations after the end of the Plan Year. Such contributions will be allocated to the Profit Sharing Contribution Account of each Participant eligible in pro rata shares.

### Safe Harbor Contributions

The Company will make Safe Harbor Contributions to the Plan in the amount of 3% of Participants' Compensation. Note that Safe Harbor Contributions have the same treatment as a Qualified Non-Elective Contribution for purposes of in-service distributions.

### Qualified Non-Elective Contributions

In addition to the contributions described above, the Company may make additional Qualified Non-Elective Contributions for the benefit of such Participants determined at the discretion of the Company.

### Rollovers

The Plan may accept a Rollover Contribution made on behalf of any Eligible Employee, regardless of whether such employee has met the age and service requirements of the Plan. An Eligible Employee who has not yet met any of the eligibility requirements of the Plan will be deemed a Participant only with respect to amounts, if any, in his Rollover Contribution Account. In general, any eligible rollover distribution will be accepted by the Plan; however, the Plan Administrator may establish procedures that regulate the method by which Rollover Contributions will be accepted.

### Military Service

If you serve in the United States armed forces and must miss work as a result of such service, you may be eligible to receive contributions, benefits and service credit with respect to any qualified military service. In

addition, you or your survivors may be eligible to receive contributions, benefits and service credit if you die or become disabled while performing qualified military service.

### Limits on Contributions

The amount that may be contributed to the Plan on your behalf in any year is limited to a fixed dollar amount (\$53,000 in 2016). In addition, contributions cannot exceed 100% of your total Compensation.

### Compensation

"Compensation" means most taxable income received from the Company as specified in IRS regulations. For any self-employed individual, Compensation will mean earned income. Compensation will include wages paid during any period in which you are performing service in the uniformed services while on active duty for a period of more than 30 days that represents all or a portion of the wages you would have received if you were performing service for the Company. Compensation will include any amounts not available to you in cash in lieu of group health coverage because you are unable to certify that you have other health coverage. For purposes of Elective Deferral Contributions, Matching Contributions, Safe Harbor Contributions and Profit Sharing Contributions, Compensation will also include any amount you elect to defer on a tax-preferred basis to any Company benefit plan. For purposes of Matching Contributions, Safe Harbor Contributions and Profit Sharing Contributions, Compensation will include only that compensation which is actually paid to you by the Company during that part of the Plan Year that you are eligible to participate in the Plan.

No more than \$265,000 (in 2016) of Compensation may be taken into account in determining your benefits under the Plan.

For purposes of Elective Deferral Contributions, Matching Contributions, Safe Harbor Contributions and Profit Sharing Contributions, Compensation will include payments of unused accrued bona fide sick, vacation, or certain other leave that are paid to you after you terminate employment.

## **VESTING**

Elective Deferral Account, Rollover Contribution Account, Qualified Non-Elective Contribution Account, Matching Contribution Account, Safe Harbor Account and Profit Sharing Contribution Account

You are always fully (100%) vested in your Elective Deferral Account, Rollover Contribution Account, Qualified Non-Elective Contribution Account, Matching Contribution Account, Safe Harbor Account and Profit Sharing Contribution Account.

## DISTRIBUTIONS

### Commencement of Distributions

**Termination of Employment.** You are entitled to receive a distribution from your Account after you terminate employment. This includes termination due to Disability. The distribution will start at the time specified in the section titled "Timing and Form of Payment" below.

**Late Retirement.** If you continue working for the Company after your Normal Retirement Age, your participation under the Plan will continue, and your benefits will begin following the date you terminate employment. You generally may not begin distributions until the time specified in the section titled "Timing and Form of Payment" below.

**Death.** If you die, your beneficiary will become entitled to receive your vested Account balance. The distribution will start at the time specified in the section titled "Timing and Form of Payment" below.

### Normal Retirement Age

"Normal Retirement Age" means the later of: (i) the date you reach age 65, and (ii) 5 Years of Eligibility Service (see the section regarding "Computing Service" for more information on what is a Year of Eligibility Service).

### Timing and Form of Payment

**Distribution for Reasons Other Than Death.** If you become entitled to receive your benefit for any reason other than death and your Account is not required to be distributed in the form of a "Qualified Joint and Survivor Annuity" (defined below) your Account will be distributed in a lump sum payment. This is your normal form of payment. Payment of your vested Account may start as soon as administratively feasible with a final payment made consisting of any allocations occurring after your termination of employment. Your Account is payable in cash or as an in-kind distribution. If you do not choose a form of payment, the payment will be made in the form of a lump sum distribution unless payment must be made in the form of a Qualified Joint and Survivor Annuity.

If you do not choose a form of payment, the payment will be made in the form of a lump sum distribution.

**Distribution on Account of Death.** If you die before distribution of your Account begins, distribution of your entire Account must be completed by December 31 of the calendar year containing the fifth anniversary of your death.

If the Qualified Preretirement Survivor Annuity has been waived or is not required, as specified below, your beneficiary will be entitled to a distribution in any form that is available to you prior to your death.

If you die after distribution of your Account has begun, the remaining portion of your Account will continue to be distributed under the method of distribution being used prior to your death. If your Account was not being distributed in the form of an annuity at the time of your death, the remaining balance must be distributed by December 31 of the calendar year containing the fifth anniversary of your death.

### Cash Out

After your termination of employment with the Company, if the vested amount of your Account (excluding rollovers) does not exceed \$1,000 (or such lesser amount as determined by the Plan Administrator), your vested Account balance will be distributed directly to you in cash. If the vested amount of your Account balance is more than \$1,000 (or such lesser amount as determined by the Plan Administrator) but less than \$5,000, your vested Account will be distributed from the Plan. You may either elect to receive this distribution in cash or to roll over the distribution to an individual retirement account (IRA) or the qualified plan of your new employer (but only if your new employer's plan allows such rollovers). However, if you do not timely return your election forms, the Plan Administrator will transfer your vested Account to an IRA established in your name; unless the distribution occurs after the Required Beginning Date. This mandatory distribution will be invested in an IRA designed to preserve principal and provide a reasonable rate of return and liquidity. All fees and expenses related to the establishment and maintenance of the IRA will be deducted from the IRA balance. For further information concerning the Plan's automatic rollover provisions, the IRA provider and the fees and expenses attendant to the individual retirement plan please contact the Plan Administrator at the phone number found in the "ADMINISTRATIVE INFORMATION" section at the end of this Summary Plan Description.

If the vested amount of your Account exceeds \$5,000, you must consent to any distribution of your Account. However, the Plan Administrator will distribute your vested Account balance in a lump sum without your consent at the time that payments must begin under applicable federal law - generally the April 1 following the later of the calendar year in which you attain age 70-1/2 or you terminate employment. Special rules apply to persons who are deemed to own more than 5% of the Company.

### Beneficiary

You have the right to designate, in a written form acceptable to the Plan Administrator, one or more primary and one or more secondary beneficiaries to receive any benefit becoming payable upon your death. Your spouse must be your sole beneficiary unless he or she consents to the designation of another beneficiary. You may change your beneficiaries at any time and from time to time by filing written notice of such change with the Plan Administrator.

If you fail to designate a beneficiary, or in the event that all designated primary and secondary beneficiaries die before you, the death benefit will be payable to your spouse, or if there is no spouse, to your children in equal shares, or if there are no children to your estate.

## IN-SERVICE DISTRIBUTIONS AND LOANS

### Withdrawals at Any Time

You may receive a distribution from your Rollover Contribution Account at any time.

### Rules Regarding In-service Distributions

The Plan Administrator may establish uniform procedures that include, but are not limited to, prescribing limitations on the frequency and minimum amount of withdrawals. All distributions will be made in the form of a single sum as soon as practicable following the valuation date as of which such withdrawal is made. Such distributions will be paid in cash or in kind. Only Employees are eligible to receive in-service distributions.

### Loans

If you are an active employee you may apply for a loan from the Plan. Loans will only be made to persons who the Plan Administrator determines have the ability to repay the loan. You may not receive a loan if the sum of your new loan and the outstanding balance of all of your other loans would exceed the lesser of:

- (1) \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made, or
- (2) one-half the present value of your vested Account balance.

Loans must be repaid over a period not extending beyond five years from the date of the loan, unless such loan is used to acquire a dwelling unit that, within a reasonable time (determined at the time the loan is made), will be used as your principal residence. The maximum loan term for a principal residence loan is 30 years.

The Plan Administrator will determine whether you may receive a loan from your Roth Contribution Account. If the Plan Administrator allows loans from your Roth Contribution Account, the Plan Administrator may specify an ordering rule for loans. The ordering rule will determine whether loans will be made first or last from your Roth Contribution Account or in any combination of your Roth Contribution Account and any other Account.

You must repay a loan in accordance with the repayment schedule or you may make a full or partial prepayment. You may not refinance your loan. The loan will become payable in full on your termination of employment. The maximum number of loans outstanding at any one time is 2. The minimum loan amount is \$1,000. Payments will be made through payroll deduction from each regular paycheck.

Loan fees may be charged against the Account of the Participant to whom the loan is granted and the Plan Administrator may adopt any administrative rules or procedures that it deems necessary or appropriate with respect to the granting and administering of loans. Please contact the Plan Administrator if you would like more information regarding taking a loan from the Plan.

## INVESTMENTS

### Participant Self Direction

In General. The Plan Administrator allows you to direct the investment of all of your Accounts. The Plan Administrator may establish uniform guidelines and procedures relating to Participant self-direction.

Investment Elections. You may direct the percentage of your Accounts to be invested in one or more of the available investment funds. Your elections will be subject to such rules and limitations as the Plan Administrator may prescribe. After your death, your beneficiary may make investment elections as if the beneficiary were the Participant. However, the Plan Administrator may restrict investment transfers to the extent required to comply with applicable law.

Investment Decisions. The Plan is intended to constitute a plan described in section 404(c) of ERISA. This means that Plan fiduciaries may be relieved of liability for any of your losses that are the result of your investment elections.

### Qualifying Employer Securities

The Trustee may not invest the assets of the trust fund in "qualifying employer securities" or "qualifying employer real property".

### Voting Rights

You may not direct the Trustee as to the exercise of voting rights with respect to any Trust Fund Investment.

### Valuation Dates

Accounts are valued each business day.

## **SPECIAL TOP-HEAVY RULES**

### Minimum Allocations

If the Plan is Top-Heavy, the Company will generally allocate a minimum of 3% of your Compensation to the Plan if you are a Participant who is (i) employed by the Company on the last day of the Plan Year and (ii) not a key employee.

Note that if you are covered by a collective bargaining agreement you will not share in Top-Heavy minimum allocations, provided retirement benefits were the subject of good faith bargaining.

### Minimum Vesting

If you complete an hour of service while this Plan is Top-Heavy, all of your Accounts will be 100% vested and nonforfeitable.

## **CLAIM PROCEDURES**

**Application for Benefits.** You or any other person entitled to benefits from the Plan (a "Claimant") may apply for such benefits by completing and filing a claim with the Plan Administrator. Any such claim must be in writing and must include all information and evidence that the Plan Administrator deems necessary to properly evaluate the merit of and to make any necessary determinations on a claim for benefits. The Plan Administrator may request any additional information necessary to evaluate the claim.

**Timing of Notice of Denied Claim.** The Plan Administrator will notify the Claimant of any adverse benefit determination within a reasonable period of time, but not later than 90 days (45 days if the claim relates to a disability determination) after receipt of the claim. This period may be extended one time by the Plan for up to 90 days (30 additional days if the claim relates to a disability determination), provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies the Claimant, prior to the expiration of the initial review period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If the claim relates to a disability determination, the period for making the determination may be extended for up to an additional 30 days if the Plan Administrator notifies the Claimant prior to the expiration of the first 30-day extension period.

**Content of Notice of Denied Claim.** If a claim is wholly or partially denied, the Plan Administrator will provide the Claimant with a written notice identifying (1) the reason or reasons for such denial, (2) the pertinent Plan provisions on which the denial is based, (3) any material or information needed to grant the claim and an explanation of why the additional information is necessary, and (4) an explanation of the steps that the Claimant must take if he wishes to appeal the denial including a statement that the Claimant may bring a civil action under ERISA.

**Appeals of Denied Claim.** If a Claimant wishes to appeal the denial of a claim, he must file a written appeal with the Plan Administrator on or before the 60th day (180th day if the claim relates to a disability determination) after he receives the Plan Administrator's written notice that the claim has been wholly or partially denied. The written appeal must identify both the grounds and specific Plan provisions upon which the appeal is based. The Claimant will be provided, upon request and free of charge, documents and other information relevant to his claim. A written appeal may also include any comments, statements or documents that the Claimant may desire to provide. The Plan Administrator will consider the merits of the Claimant's written presentations, the merits of any facts or evidence in support of the denial of benefits, and such other facts and circumstances as the Plan Administrator may deem relevant. The Claimant will lose the right to appeal if the appeal is not timely made. The Plan Administrator will ordinarily rule on an appeal within 60 days (45 days if the claim relates to a disability determination). However, if special circumstances require an extension and the Plan Administrator furnishes the Claimant with a written extension notice during the initial period, the Plan Administrator may take up to 120 days (90 days if the claim relates to a disability determination) to rule on an appeal.

**Denial of Appeal.** If an appeal is wholly or partially denied, the Plan Administrator will provide the Claimant with a notice identifying (1) the reason or reasons for such denial, (2) the pertinent Plan provisions on which the denial is based, (3) a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claimant's claim for benefits, and (4) a statement describing the Claimant's right to bring an action under section 502(a) of ERISA. The determination rendered by the Plan Administrator will be binding upon all parties.

**Determinations of Disability.** If the claim relates to a disability determination, determinations of the Plan Administrator will include the information required under applicable United States Department of Labor regulations.

## **YOUR RIGHTS UNDER ERISA**

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). This federal law provides that you have the right to:

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Obtain, once a year, a statement from the Plan Administrator regarding your Accrued Benefit under the Plan and the nonforfeitable (vested) portion of your Accrued Benefit, if any. This statement must be requested in writing and is not required to be given more than once every 12 months. The Plan must provide the statement free of charge.

In addition, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining your benefits or exercising your rights under ERISA.

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may

order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## MISCELLANEOUS

### Domestic Relations Orders

Under certain circumstances, a court may issue a domestic relations order assigning a portion of your benefits under the Plan to a spouse, former spouse, child or other dependent. The Plan Administrator will determine whether the order is a qualified domestic relations order ("QDRO"). If the Plan Administrator determines that the order is a QDRO, it will implement the terms of the QDRO and divide your Account accordingly. You may obtain, without charge, a copy of the Plan's QDRO procedures from the Plan Administrator.

### Disability

Under this Plan, you are disabled if you are unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. The permanence and degree of such impairment must be supported by medical evidence.

### Assignment and Alienation of Benefits

Except as provided below, your Account is held in trust and cannot be assigned and, to the extent permitted by law, is not subject to any form of attachment, garnishment, sequestration or other actions of collection. You may not alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which you may expect to receive, contingently or otherwise, under the Plan, except that you may designate a beneficiary.

However, you may lose all or part of your balance:

- pursuant to the terms of a QDRO;
- to comply with any federal tax levy; or
- to comply with the provisions and conditions of a judgment, order, decree or settlement agreement between you and the Secretary of Labor or the Pension Benefit Guaranty Corporation relating to your violation (or alleged violation) of ERISA fiduciary responsibilities.

### Amendment and Termination

Although the Company intends to maintain the Plan indefinitely, the Company may amend or terminate the Plan at any time in its sole discretion. If any of these actions is taken, you will be notified. However, no such action may permit any part of Plan assets to be used for any purpose other than the exclusive benefit of participants and beneficiaries or cause any reduction in your vested Account balance as of the date of the amendment or termination. If the Plan is terminated, all amounts credited to your Account will become 100% vested.

### Fees

Your Account may be charged for some or all of the costs and expenses of operating the Plan. Such expenses include, but are not limited to, investment expenses and costs to process loans, Plan distributions and QDROs. For specific information regarding the fees that are charged by the Plan, please contact the Plan Administrator.

### Insurance

The Plan is not insured by the Pension Benefit Guaranty Corporation (PBGC) because it is not a defined benefit pension plan.

### Administrator Discretion

The Plan Administrator has the authority to make factual determinations, to construe and interpret the provisions of the Plan, to correct defects and resolve ambiguities in the Plan and to supply omissions to the Plan. Any construction, interpretation or application of the Plan by the Plan Administrator is final, conclusive and binding.

### Plan Not a Contract of Employment

The Plan does not constitute, and is not to be deemed to constitute, an employment contract between the Company and any employee or an inducement or condition of employment of any employee. Nothing in the Plan is to be deemed to give any employee the right to be retained in the Company's service or to interfere with the Company's right to discharge any employee at any time.

### Waiver

Any failure by the Plan or the Plan Administrator to insist upon compliance with any of the Plan's provisions at any time or under any set of circumstances does not operate to waive or modify the provision or in any other manner render it unenforceable as to any other time or as to any other occurrence, whether the circumstances are the same or different. No waiver of any term or condition of the Plan is valid or of any force or effect unless it is expressed in writing and signed by a person authorized by the Plan Administrator to grant a waiver.

### Errors

Any clerical or similar error by the Plan Administrator cannot give coverage under the Plan to any individual who otherwise does not qualify for coverage under the Plan. An error cannot give a benefit to an individual who is not actually entitled to the benefit.
